

Glimmer Wrap Pattern Checklist

by Shaina Bilow

Notes about how to use the checklist

Follow the Row numbers on each checklist.

Use the check box to the right of the row number to mark when you've completed a row.

The instructions and color used for that row will be listed with it or on the left side of the chart (if it's a repeated pattern).

As you encounter ds from the previous rows, work the ds together to close the gaps.

Section 4B - Worked in CC4

Note: Correct gauge is imperative for section 4B as nearly all of the 78 yards of CC4 were used. If your gauge is looser than the pattern requirements, you will likely need more yarn. If this is the case, get creative! Add stripes as or other colors of yarns as desired.
