Special Stitches

Stockinette Stitch

Row 1 (RS): knit.

Row 2 (WS): purl.

Repeat rows 1 and 2 for pattern.

Instructions

Using the crochet cast on (or any other cast on you choose), cast on 100 stitches for Small/Medium or 112 stitches for Large/X-Large. Work in stockinette stitch until piece measures 46" for the Small/Medium or 54" for the Large/X-Large from the beginning. Bind off.

Finishing

Seam the wrap together:

1. Fold the wrap in half, matching cast on edge to bind off edge.
2. Using mattress stitch, seam along one side edge from the cast on/bind off edge toward the fold, leaving 11" down from the fold open. Neck opening will have a finished circumference of 22".
3. Weave in tails
4. Wet block for best drape and to help uncurl the edges.

If you desire, you can get extra yarn and work a crochet border around the piece. You can also work the wrap up in a different stitch pattern. Have fun!
